CONCLUSIONS

1. City of Sunnyvale should more aggressively seek Grants or Subsidies from Federal, State or County Sources.
2. Work with the Seniors in pursuing a more friendly atmosphere and less emphasis on commercial values.
3. Rethink the Lunch Program as to menu, time of meal, offering more variations, and possibly the Delhi approach (soups, salads and sandwiches)
4. Investigate the resources of Second Harvest Food Bank: Susan Takalo 1-800-984-3663
5. Promote all aspects of using the existing on site Kitchen Facility at Sunnyvale Senior Center.
